Working at Pacifica Paddle Sports requires an employee to be self-motivated, detail oriented and customer focused at all times. We pride ourselves on creating unique and meaningful on-water experiences for our guests, and expect all our staff to work hard towards this goal. July and August are our busiest months, and as such, it is important that our seasonal staff not take extended vacation time during this period.

Our workplace is a team environment and our strength is in working together. Great interpersonal, listening and problem solving skills are essential for success in what is usually a very busy (and fast-paced) work environment.

If this sounds like you, we look forward to meeting you in person soon! Please sign and date below, indicating that all information submitted on this application is accurate and true.
